Current Travel Warnings

Travel Warnings are issued to describe long-term, protracted conditions that make a country dangerous or unstable. A Travel Warning is also issued when the U.S. Government's ability to assist American citizens is constrained due to the closure of an embassy or consulate or because of a drawdown of its staff. **The countries listed below meet those criteria.**

Current Travel Alerts

Travel Alerts are issued to disseminate information about short-term conditions, generally within a particular country, that pose imminent risks to the security of U.S. citizens. Natural disasters, terrorist attacks, coups, anniversaries of terrorist events, election-related demonstrations or violence, and high-profile events such as international conferences or regional sports events are examples of conditions that might generate a Travel Alert.

In submitting this IATP, I acknowledge and certify the following official statements:

- I have met/will meet all COCOM Pre-Travel Training and Briefing Requirements prior to the start of this travel:
- I have completed/will complete Level 1 ATRP Awareness Training within 12 months of this travel.
- I have received/will obtain an AOR Location Specific Brief for my intended destination within 3 months of this travel, or sooner if required by the COCOM in the DOD Foreign Clearance Guide or other specific direction/instruction.
- I have completed/will complete Survival, Evasion, Resistance, and Escape (SERE) Code of Conduct (CoC) level B training within 24-months of travel.
- I have completed/will complete the Isolated Personnel Report (ISOPREP) requirement using the Personnel Recovery Mission Software (PRMS).
- (For travel to South Korea) I have completed/will complete the USFK Theater Specific Required Training as mandated by CDR USFK.
- If Theater, Country, and/or Special Area Clearance is required for this trip, I will ensure such clearance is obtained prior to initiating the travel.
- I, the primary traveler, am responsible for ensuring the additional travelers listed in this document have met all pre-travel training and briefing requirements.

As resources permit:

- As resources permit, I will monitor my personal and official e-mail accounts listed in this IATP for any system generated notifications. I will forward/brief such notifications to the additional travelers listed in this IATP using the most expeditions, safe, and effective way possible.
- As resources permit, I will monitor the IATP Pre-Travel website Page for terrorist, criminal, political violence, and FPCON threat level increases.
- As resources permit, I will monitor the Department of State website for Travel Warnings, Travel Alerts (formerly called Public Announcements), cautions, and advisories for my intended destination(s).
- As resources permit, I will monitor local and international news sources at my destination.
- Upon arrival, I will confirm good contact numbers with my chain of command.
- I will comply with Attachments 1 & 2 of this IATP.

I understand that following initial approval, this IATP must be reapproved if:

- The terrorist, criminal, and/or FPCON Threat Levels increase for my destination(s) or the Buddy Rule becomes a requirement (if it isn't already).
- The Department of State or the COCOM issues a sudden Travel Warning, Travel Alert (formerly called a Public Announcements), Caution, and/or Advisories for my destination (s).
- The COCOM imposes a Travel Restriction, Buddy Rule requirement, or FP Advisory for my destination(s).

☐ I have read and agree with the Acknowledgement of Responsibility / Conditions of Approval above.
